

Lincoln Hills Cares creates unforgettable Colorado experiences for youth by forming a connection to cultural history, science, technology, art and environmental conservation. The program imparts knowledge, encourages thinking and empowers youth who may not otherwise have the opportunity, due to economic, social or family circumstances.

The support of your organization, along with others, will help us to host over 30 local children during a day of winter inspired activities, including ice skating, tubing, and snowshoeing that exist in our own Colorado backyard.

Our event, entitled “Winter Wonderland,” will take place on Saturday, February 23, 2019.
